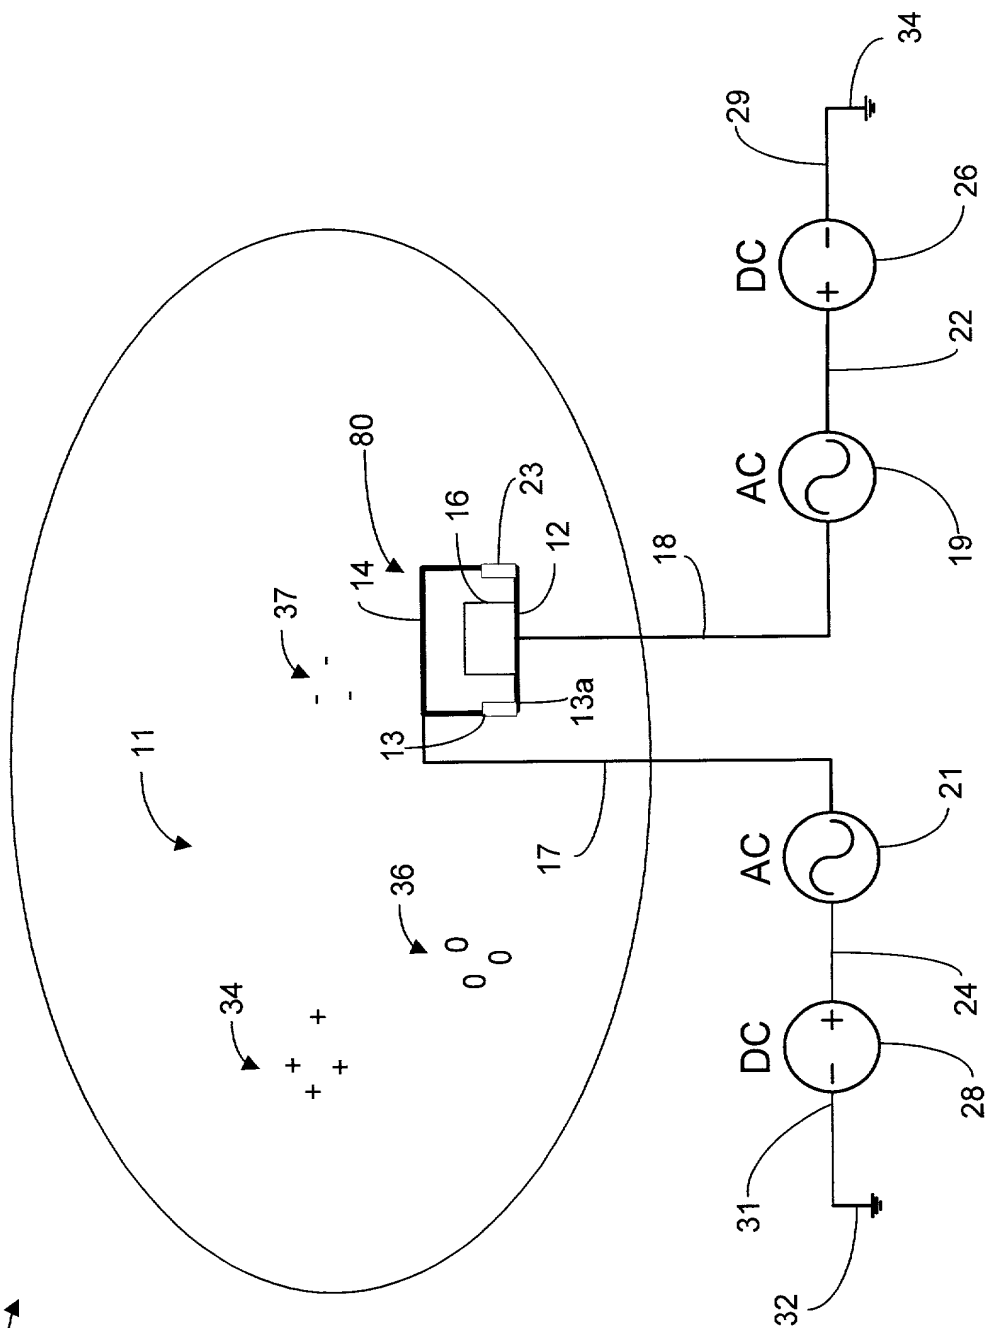

Fig. 1

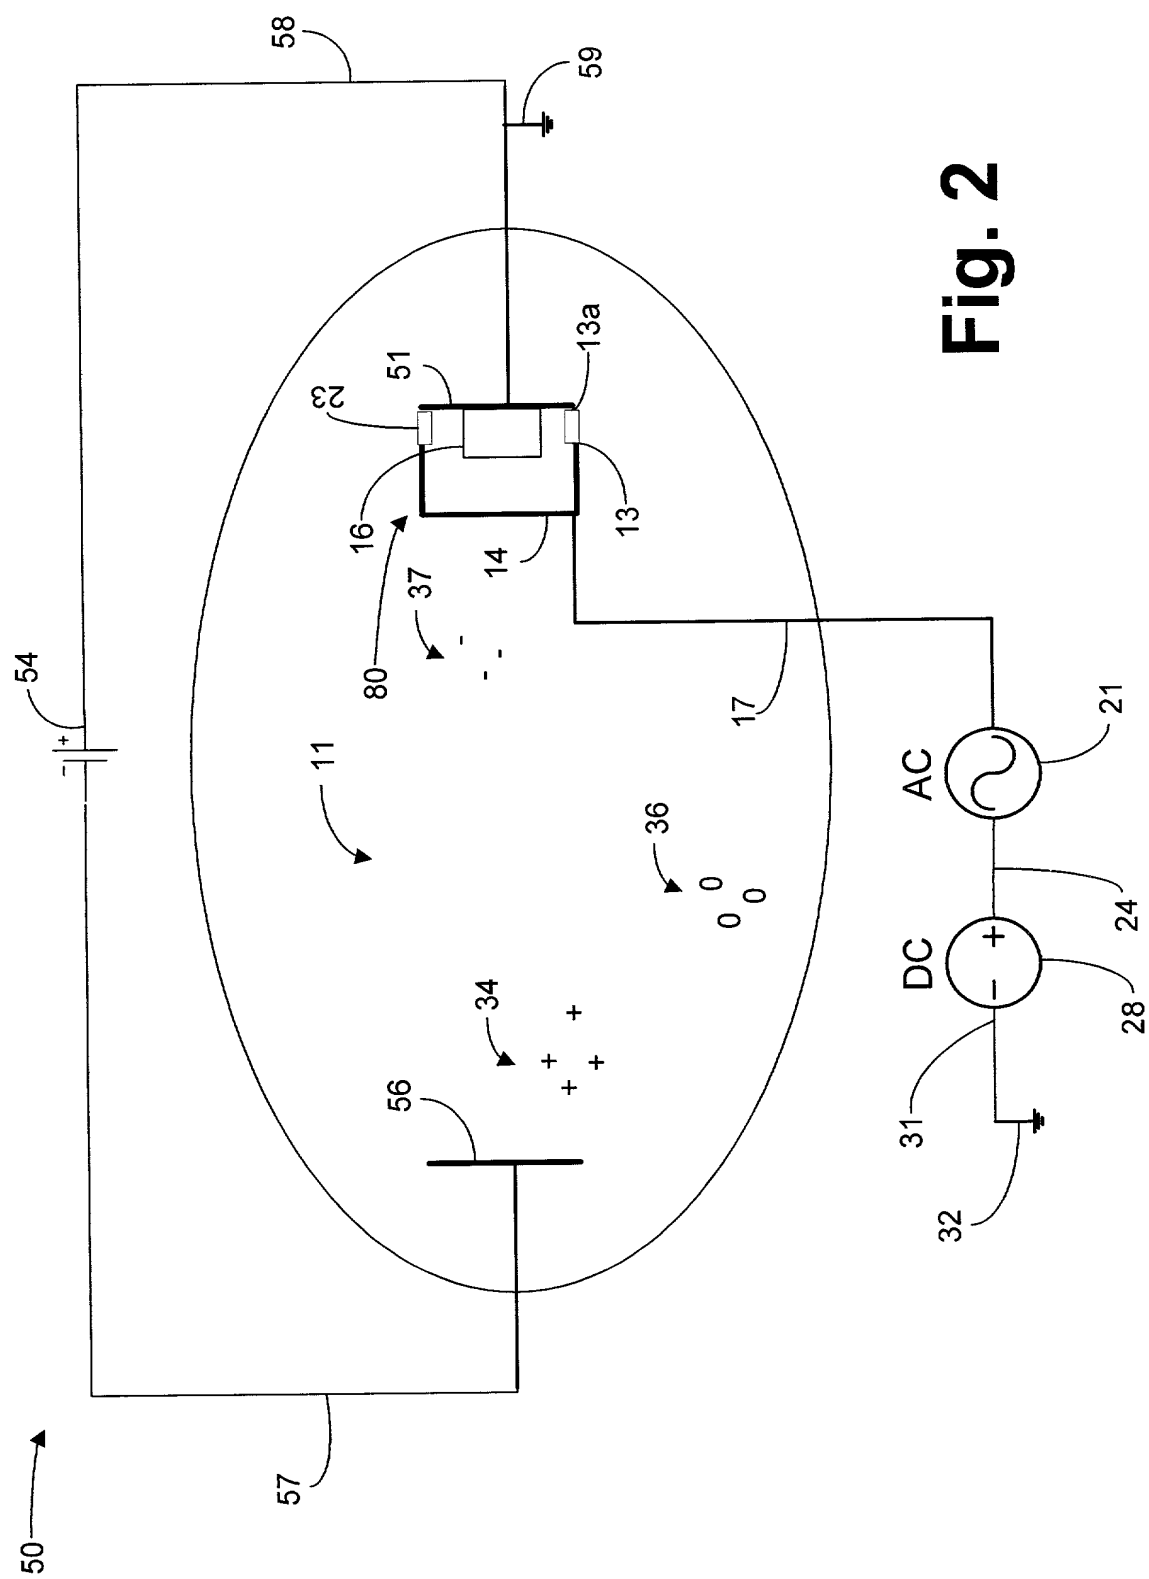

FIG. 3 is a schematic diagram of a system 60 for testing a device 11. The system 60 includes a power source 54, a device 11, and a control unit 57. The power source 54 is connected to the device 11 via a cable 58. The control unit 57 is connected to the device 11 via a cable 59. The device 11 includes a component 13, a component 14, a component 16, a component 17, a component 18, a component 19, a component 21, a component 22, a component 23, a component 24, a component 26, a component 28, a component 29, a component 31, a component 32, a component 34, a component 36, a component 37, and a component 38. The device 11 is also connected to a ground 51. The system 60 is shown in a perspective view.
